## Roll-Out Test Report

This report should give a good overview of how the competence center has been installed and opened to the major stakeholders. The organized roll-out test should be a mini-event at each of the PC partner universities to show the newly won technical capacities funded in the frame of an Erasmus+ project. It is important to show that the equipment has been set up and incorporated into your university's inventory list.

**Name of the university:**

**Partner number:**

**Country:**

**Facts about the event:**

**Date:**

**Agenda:**

**Number of participants:**

**Target groups reached** (e.g. students, management, companies):

**Press release** (please let us know if there is an official post):

**Final equipment purchased** (please list them all shortly in the table below – please extend the table as needed):

Item	Amount of items	Specification	Number in your inventory

**Location of the competence center** (please shortly describe where your competence center can be found – is it incorporated into a certain faculty or independent placed at a strategic location on campus):

**Added value of the new equipment financed by Erasmus+ for your faculty/university:**

**Please give a short description of the event:**

**Short newsletter-text for the TOURIST website (in Vietnamese, Thai and ENG) (200-300 words):**

**Pictures you want to share**

Co-funded by the  
Erasmus+ Programme  
of the European Union
